

# It's a sickness\_ by Melanie

## Intro:

violin, guitar, piano

falling in love is a sickness I swear  
I'm too impatient I fall out of it too quick  
and when you realize I'm already gone  
so I need to fix my love habits

cause I want the love story I swear  
I'm move forward with Father Time  
and he's too quick for me I swear  
and soon enough the feelings are down  
down like the temperature outside

but I still want that love story I swear  
1 2 3 we are all the same  
I guess they weren't meant for me  
but I still keep on trying

## Chorus

**I'm impatient for the love story  
I'm impatient for the love story**

**Music interlude-Instrumental  
(Guitar takes a solo, Violin in the back)**

but I still want that love story I swear  
but I'm impatient for that story

## Chorus

**I'm impatient for the love story  
I'm impatient for the love story  
I'm impatient for the love story  
I'm impatient for the love story**
